Org-Mode: Let a text editor save You
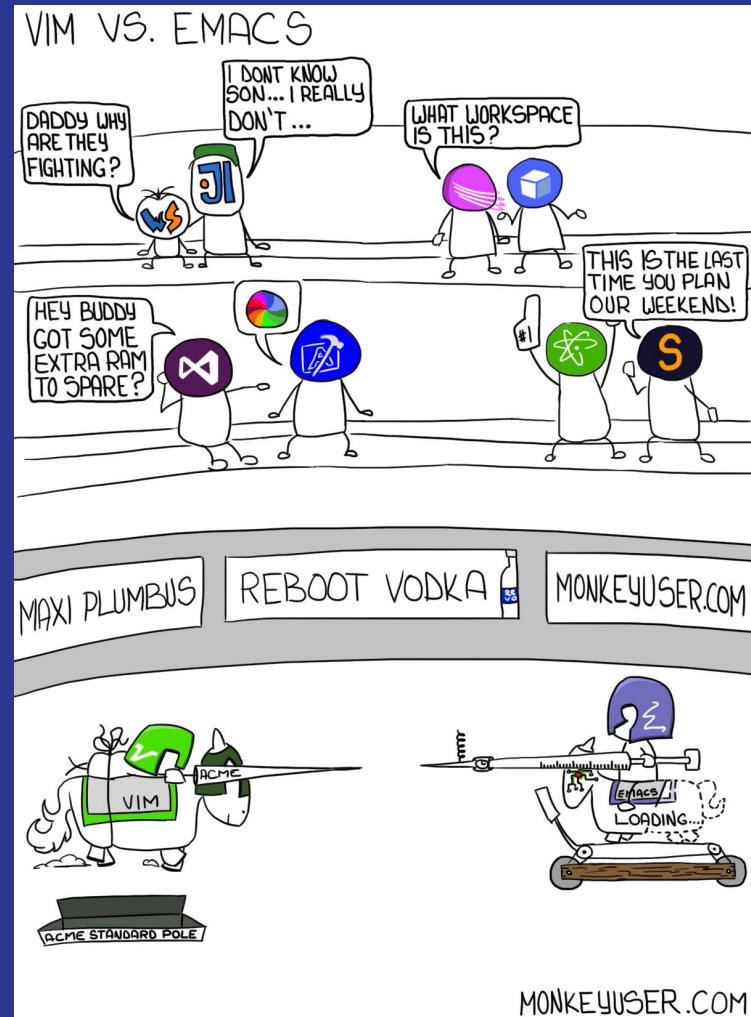

**While any text editor can save your files,
only Emacs can save your soul.**

Le Moi

Abraham Raji

- He drinks.
- He eats.
- He codes.
- He use Arch btw.
- Writes exams to be a certified Instrumentation Engineer.
- Actually likes being an engineer.
- *Random Achievement + 5 minutes of humble bragging*

Let's get something clear....

That being said…

As you all may or may not know VI VI VI is the text editor of the beast. In the name of St.Ignucious I Welcome you all to the Church Of Emacs!!!

Show Time.

Thank You
